## Terms and Conditions for the TuitionPay<sup>SM</sup> Plan (“Plan”)

By sending this enrollment form to us, you agree to these terms and conditions and you consent to our calling you using any phone number you have given us. If received before the Plan deadline, we will establish your Plan account (“Account”) upon receipt of your completed enrollment form, application fee, and, if applicable, any monthly payments due. We will forward your payments and administer your Plan according to your school’s terms. Your school may request changes to your Plan amount and may cancel your Account at any time. We may cancel your Account if any two of your payments are not honored by your bank. In that event, you must still fulfill your financial obligations to your school. All payments must be in U.S. funds drawn on a U.S. bank located in the U.S. The application fee is non-refundable; all other refunds are made according to the school’s refund policy. There are no interest charges. There is an NSF charge if your payment is not honored by your bank. There is a \$25 late fee if your payment is received after your Plan’s due date; there is no grace period for late payments. For information on NSF charges and late fees, please call (800) 635-0120. ## Electronic Check Conversion

When you provide a check as payment, you authorize us either to use information from your check to make a one-time electronic fund transfer from your checking account or to process the payment as a check transaction. When we use information from your check to make an electronic fund transfer, funds may be withdrawn from your checking account as soon as the same day we receive your check and you will not receive your check back from your bank.

## Authorization and Terms and Conditions for ACH Withdrawals

By completing and signing the ACH Banking Information part of this enrollment form, you (and anyone else who authorizes us to debit an account hereunder) agree to these terms and conditions and authorize us to initiate debit entries to your account, at the bank listed, to pay your TuitionPay payments. Your account will be debited for the amount currently due on your Plan’s due date, unless the due date falls on a weekend or holiday; then it will be debited on the next banking day. This authorization can be terminated by advance written notification to the address provided on this form no later than 10 business days before the next payment due date. You may also terminate this authorization online at any time up to one day prior to the payment due date. Your school may request changes to your Plan amount and may cancel your Account at any time.

Please note:

1. **IMPORTANT:** To have payments debited from your checking account, attach a VOIDED CHECK, NOT A DEPOSIT SLIP. We will only use it to verify the checking account and ABA routing numbers. To have payments debited from your savings account, you must verify the savings account and ABA Routing numbers with your bank.

2. You must be the primary person on the account. If another person is on the account, include that person’s name in the Account Holder’s Name section and have that person also sign in the Signature section in the ACH Banking Information part of this enrollment form.
