George Mason University
2025-2026 Academic Year Course and Program Fees

Course	Fee	Description
College of Education & Human Development		
All CEHD courses except those below	$25 per credit	Used for accreditation costs, Watermarks/Tk20 Assessment System; program accreditation lead faculty, and other accreditation and assessment project needs. Fee also supports the purchase of materials, supplies, and sustaining SMART Lab facility.
ECED 790, 791, 793, 795, 798, 799 EDCD 791 EDCI 490, 790 EDSE 790	$84 per credit	To fund on-site assistance for internship courses involving intensive clinical training/supervision
ATEP 456, 486, 686	$42 per credit	To fund on-site assistance for internship courses involving intensive clinical training/supervision
ATEP 476, 676	$42 per credit	Board of Certification for the Athletic Trainer (BOC) Exam Preparation & standard CEHD course fee.
RMGT 220, 221	$250 flat fee	Entrance fees, Equipment Rental, Transportation
RMGT 250	$300 flat fee	Entrance fees, Equipment Rental, Transportation
RECR 124, 125	$257 per credit	Horse and facility rental costs
RECR 130	$120 per credit	Facility rental, equipment rental and maintenance, ammunition and target purchases
RECR 136, 137, 138	$185 per credit	Facility rental, equipment rental and maintenance, ammunition and target purchases
College of Engineering and Computing		
All CEC courses except those listed below	$65 per credit	Used to support all technology-based courses including departmental instructional labs, to improve instructional delivery including experiential learning, and to acquire and maintain equipment, related consumable supplies and software used by students.
IT 104 and STAT 250	$17 per credit	Used to support and improve course-related computing and information technology infrastructure and student services.
SYST 462	$9,800 flat fee	Flight training, vendor payment.
SYST 463	$8,200 flat fee	Flight training, vendor payment.
College of Humanities and Social Sciences		
All HDFS courses	$25 per credit	To improve instructional delivery of experiential learning, including maintaining community and professional networks and software to support mentorship.
College of Public Health		
GCH 270	$80 per credit	Purchase of supplies, equipment, software, and technology for new course. Upgrades and maintenance of equipment and technology. Support for staffing (such as GA support for labs). This will also support acquisition and implementation of innovative technologies (e.g. Anatomage Table, Virtual Reality, Augmented Reality).
GCH 790, 804, 805	$80 per credit	Identify practicum sites and supervisors; create and manage practicum database accessible by students, supervisors, and faculty; conduct site visits and strengthen community partnerships; manage required registration documents, timesheets, course projects, site/faculty evaluation information; maintenance of computer lab, and support students' access to and use of statistical software.
HAP 308, 318, 360, 361, 430, 436, 440, 442, 456, 458, 459, 461, 462, 464, 467, 489, 498, 555, 618, 622, 670, 671, 672, 675, 713, 717, 718, 720, 725, 730, 752, 770, 777, 780, 789, 790, 823, 835, 880	$80 per credit	Health Informatics Computer Lab equipment maintenance, equipment repairs, and periodic upgrading of the equipment and software. Practicum Field placements, planning with field agencies, preceptor recruitment and evaluations, track data and information required for practicum courses by accreditation entities and manage student capstone documents and final presentation events.
NUTR 313, 315, 383, 430, 515, 530, 537, 583, 587, 651, 662, 667, 675, 687	$80 per credit	Food, equipment, cleaning materials, honorariums for expert chefs, lab coats, textbooks, student professional memberships, conference fees, background checks, virtual reality simulations, professional certifications, and honorariums. Fee also supports the purchase and replacement of kitchen and cooking equipment.
SOCW 495, 496, 672, 673, 696, 698	$80 per credit	Identify and manage field practicum sites and supervisors; ensure the quality of field learning opportunities and create new sites; manage and troubleshoot web-based field education database system accessible by students, faculty, staff, and supervisors; monitor student status in relation to field practicum site requirements; costs associated with advisement, orientations and trainings for students; facilitate communication between students, field instructors, and field liaisons; onboarding and background check fees when the practicum site passes costs to students; Mid-Atlantic Consortium fees; cost of web-based field education database; field education staff training and leadership development.

Course	Fee	Description
College of Science		
All COS courses 200-999 except for those listed below	$20 per credit	To support major scientific equipment and technology acquisition for undergraduate/graduate scholarship and research, as well as laboratory requirements to support and enhance science education and research at the undergraduate and graduate levels.
ASTR Labs	$115 flat fee	To support equipment/modules replacement; observatory instrumentation replacement; and internet access to radio telescope and weather stations.
All BINF Courses	$30 per credit	Most BINF courses are taught in the computational classrooms and many rely on specialized hardware and software. The fee covers computer hardware and other equipment upgrades and maintenance and software purchasing and licensing fees.
BIOL Labs, 100-499	$115 flat fee	To support undergraduate training opportunities in expanded biology labs.
BIOL 585, 678	$30 per credit	To support lab equipment replacement and maintenance related to the course.
All BIOS Courses	$30 per credit	To support experimental learning for Biosciences students including support for instructional labs with equipment and supplies as well as supplies for experiment and equipment training.
CHEM Labs	$115 flat fee	To replace obsolete equipment and glassware, chemicals and supplies.
CLIM Labs	$115 flat fee	To provide experimental learning, equipment and support system maintenance and replacement.
CDS 101, 102, 130, 201, 205, 230, 251, 292, 301, 302, 303 CSI 501, 690	$30 per credit	To support student teaching assistants (CDS STARS) in classes and labs, and maintain updated software modules and tools, as well as necessary equipment for state-of-art computational modelling and simulations.
EVPP Labs	$115 flat fee	To provide undergraduates with more training opportunities and field trips; support replacement of lab supplies, equipment and maintenance.
All GGS Courses	$30 per credit	To support lab equipment; its use, maintenance, and replacement, including hardware and specialized software, as well as specific instructional needs for GGS courses.
MATH 006, 008	$60 flat fee	To administer Math 006 and 008, which are non- credited, self-paced Basic Math and Algebra tutorials for students preparing for Algebra to complete the Math Placement Test.
Math 299 and below	$20 per credit	To support equipment maintenance/replacement, software licenses, high powered equipment to run simulations, proctored software based coursework, proctored distance education and traditional course exam flexibility, and provide student software training.
NEUR 405, 406, 603, 701	$45 per credit	Covers the cost of animals (cage fees, purchases), consumables, and laboratory expenses to provide the students with skills in behavioral neuroscience research.
FRSC 302, 305, 326, 401, 404, 450, 470, 510, 511, 512, 513, 515, 516, 517, 526, 540, 541, 550, 560, 570, 580, 601, 670	$115 flat fee	To provide practical, hands on experience using sensitive instrumentation and the same consumables and supplies used in a real Forensic Science Lab.
FRSC 461, 561	$250 flat fee	To support the purchase of DNA lab supplies.
All GEOL Labs	$115 flat fee	To provide equipment such as microscopes and support system maintenance and replacement.
PHYS Labs	$115 flat fee	To support equipment/modules replacement; and update teaching methods to group web sharing that replicate "real world" applications.
College of Visual and Performing Arts		
All CVPA courses, except those listed below, those with IN1, IN2, IN3, IN4, IN6, INT, IND, THS, DIS schedule code, FAVS 300 and MUSI 301	$30 per credit	Equipment, activities, and support for CVPA instructional programs
CVPA 600	$30 flat fee	Graduate ProSeminar
MUSI 280	$30 flat fee	Green Machine
Private Music Instruction, except MUSI 323, 324, 424, 690, 790, 890 and those below	$300 flat fee (1 credit courses) $600 flat fee (2 or 3 credit courses)	Music Major
Private Music Instruction MUSI 229, MUSI 249	$460 per credit	Non-Music Major
Costello College of Business		
All 100-400 level courses	$55 per credit	Analytical and survey software and licenses as well as undergraduate academic and administrative support. Student opportunities such as internships, global experiences, and professional development.
Honors College		
Honors 110, 111, 302	$15 per credit	The cost of poster presentations required for each student
Smithsonian-Mason School of Conservation		
All SMSC courses (in-person)	$128 per credit	Support of hands-on, interdisciplinary programs in conservation biology at our facility on the grounds of SCBI in Front Royal, VA

Program	Fee	Description
College of Public Health		
Bachelors of Nursing	$300 flat fee	Related items used in labs throughout the program (suturing training materials, pelvic exam and orthopedic training), and point-of-care training materials used at MAP clinics. Cost of NCLEX prep and materials.
Masters of Nursing	$400 flat fee	Related items used in labs throughout the program (suturing training materials, pelvic exam and orthopedic training), and point-of-care training materials used at MAP clinics. Cost of NCLEX prep and materials.
