The mandatory student fee is comprehensive and includes funding for operations and facilities that support student academic life and student activities. The annual amount for full-time enrollment is \$3,609. The fee is allocated in the following manner:

Athletics: The fee supports athletic scholarships, athletic program operations, and sponsors intercollegiate sports and recreation. This allows students free access to sporting events.

Auxiliary Central: The fee is allocated to fund the indirect cost recovery to Educational and General operations. The Auxiliary Enterprises operations are charged an indirect cost recovery rate for services provided by Educational and General operations, which includes payroll processing, purchasing, billing services and facilities administration.

Auxiliary Services: The fee funds programs and services for the Mason Card Office, Multi-Campus Operations (Arlington Campus, Loudoun Campus, and Sci-Tech Campus), Police Cadet Program, Auxiliary Information Technology Systems, and Business Services Administration, etc.

Facilities and Building: The facility and building fee supports not only the operational costs for student centers, recreational facilities, and arts centers, such as student-centered programming, utilities, facilities maintenance, equipment replacement, and housekeeping, but also helps pay for the debt service related to a facility's construction, renewal, and renovation.

Health Services: This fee is to advance the well-being of all students. In addition to providing support for the operation of a health clinic, it funds a variety of outreach programs and services to promote students' health, such as immunization compliance, drug/alcohol education, counseling, etc.

Student Activity: The student activity fee is dedicated to a variety of student-centered programming and operations, including but not limited to student government, student organizations, student media, diversity and inclusion programs, which enrich and enhance all aspects of student life.

Transportation: The fee is used to support students' transit needs through programs such as Mason Shuttles, CUE bus service, and bike sharing.
